Does your child receive any medication? Y N

COMMENTS: _____

Authorization

- 1) My child has my permission to attend all swim sessions during Summer Blast Camp.
- 2) I understand that in registering my child for camp, he/she will be involved in physical activities and, with any physical activity, there is risk of injury. In the event of an emergency, I authorize the physician in the emergency care facility selected by the camp staff to secure proper treatment for the child named above.
- 3) I give my permission for my child's photo to be used for publicity purposes. These photos may be taken during activities that are part of the Summer Blast Program.

Signature of Parent/Guardian: _____ **Date:** _____

Camp Information

Code of Behaviour

The Township of Essa endeavours to provide the highest level of safety and enjoyment to all participants and staff members for the duration of its programs. These guidelines have been developed to ensure that all involved are aware of acceptable behaviour. Coarse language, physical and aggressive behaviour, inappropriate or uncooperative behaviour will be recorded, reported and may result in the removal of your child from the program.

Dressing for Camp

Campers are encouraged to wear comfortable clothing and dress accordingly for the weather. A sun hat and sunscreen should be worn and brought to camp daily. It is also recommended that your child bring a bathing suit and a towel to the camp every day. Please label your child's clothing and articles brought to the camp. For safety campers should wear running shoes, there are **no** sandals or Crocs at the camp. If your child has a knapsack, it will help keep his/her belongings together. *Please send sunscreen.*

Weather Conditions

Participants are encouraged to dress appropriately and be prepared for diverse weather conditions during the course of the selected program. Staff will contact parents to bring and wear proper clothing for the events and conditions. Air quality conditions, heat, precipitation, smog and severe weather warnings will be taken into consideration when planning programs. Therefore, programs may be altered. Indoor facilities are usually available for all programs unless otherwise specified.

Drop Off/Pick Up/Absenteeism

To avoid confusion, if you know ahead of time that your child will miss a day of camp or needs to leave for an appointment, please put it in writing and give it to our camp Director or Assistant Director on location. Please specify who will be coming to get the camper. If your child is absent, please call the camp or the Recreation Office. We will try to notify your child's camp.

For Everyone's Health

If your child has a communicable disease, or the like (e.g. Lice, Chicken Pox, etc.), we would ask that you do not send your child to the program for everyone's safety. Children are welcome to return to the program when they are healthy and have a medical note of permission.

Lunch and Snack

Each day children are to bring a *peanut-free* lunch, 2 snacks, and a drink; all containers should be well labeled. Most of our camps do not have access to a refrigerator. A frozen drink or ice pack will assist in keeping your child's lunch and snacks cool. Throughout the day extra snacks and drinks are usually required by the children. Please pack accordingly.

Due to the number of groups and general public that use our facilities, as well as trip locations, we CANNOT ensure a completely peanut free surrounding. We urge those individuals (and your children) with food allergy concerns to be aware of this issue, when considering participating in any Essa Township Recreation Programs.

Lost and Found

We recommend that your child not bring expensive or valuable items to camp. There are **no** electronic devices at camp; this includes mp3 players and cell phones. Please be sure that your child understands that he/she is responsible for their articles. Money is not to be brought to camp, unless specified on the camp schedule.
