

Program Facilitator WANTED!

The Environment Network and the Township of Essa is seeking an energetic, creative leader to be part of a dynamic team to plan and implement Girlfriends, an after school program for grade 7 and 8 girls in Angus.

As facilitator, time will be spent with the girls in fun activities that address the importance of healthy and active living, goal setting, the environment and life choices.

Applicants should be interested in gaining experience in working with and developing programs for young women between the ages of 12 - 14. Previous experience working with this age group is preferred but not necessary. Interest in the environment is a must. Both written and verbal communication skills are imperative. Deadline for application is Wednesday August 25th, 2010. Please provide resume to:

**In person: Township of Essa Administration Centre
5786 County Road 21, Utopia, ON L0M 1T0
Email: programs@environmentnetwork.org
Fax: 705.446.0561**

*The Environment Network and Township of Essa thank the
Ministry of
Health Promotion for making this program possible.*
